**About Institute**

Atul Vidya Mandir was established in 1991 in the memory of Late Atul W. Jagtap. This education society was registered by every almost efforts of late President Prof. Annasaheb alias Walmikrao Jagtap and with cooperation of well-wishers. The deficiency of science education for the students of Taluk place like Chandur Rly and nearby villages is accomplished with the establishment of Rajarshee Shahu Science College by the efforts of management of this education society. College is affiliated to Sant Gadge Baba Amravati University, Amravati. It is the only 100% Grant in aid Science College in the taluk Chandur Rly. The College is running Bachelor of Science program. The college has shown quantum jump in all dimensions like academics, co-curricular activities, infrastructure, conducive teaching-learning atmosphere, administrative along with lush green campus and committed to grow better and better in future. The college is accredited with B+ grade by NAAC, Bengaluru.

**About ISCA Amravati**

The Indian Science Congress Association (ISCA), the premier organization of scientists of the country, has been working towards the advancement and promotion of the cause of science in India. The Amravati Chapter was launched in the year 2008-09. The Chapter also undertakes a series of programmes of various occasions to inculcate scientific temper and generate scientific awareness in students as well as people in general.

**About e-Conference**

"We have not inherited the world from our forefathers - we have borrowed it from our children." Global sustainable development has become the pressing need of the hour. The last decade has witnessed the emergence of an array of increasingly vibrant movements to harness science and technology in the quest for a transition toward sustainability. Researchers provides with insight into how different processes of knowledge are initiated and progressed, and how innovative technological processes are developed, employed and increase the importance of being sustainable.

Due to global health pandemic situation, we have organized an e-conference. This is a multidisciplinary conference which would be the convention of researchers from various fields of science like Chemical, Biological, Physical, Mathematical, Zoological, Library, Information Technology etc. to share their valuable contribution leading to the sustainable development. This convention would definitely provide a platform for discussion on the contribution, opportunities, and challenges in different research areas.
